## SOUL RESCUE PRAYER

PSALM 35:7, 17

You can only prosper as much as your soul prosper.

Whatever aids your soul prosperity will enhance your total life prosperity. The devil is determined to bind the mind of men (part of the soul, 2nd Cor. 4:4) because he is aware of the connection.

Therefore, we must be determined to stop him so as to ensure our prosperity. A lot happens in the soul of a man. Man is a spirit; he has a soul and lives in a body. No believer is bound in the spirit; bondages and oppressions operate in the soul. When the mind, a major component of the soul is transformed, life becomes transformed. (Romans 12:2)

The book of James 1:25 says that the engrafted word is able to save the soul. This means that if the soul needs to be saved then there is something to save it from.

Through the power of God's word in study and prayer, the souls of men can be saved and also be converted (Psalm 19:7)

When a person's soul is saved, his destiny is saved. That person can then flourish.

Pray these prayers for yourself and for anyone who is a victim of unwanted results and manifestations. You need these prayers if you are always prone to mistakes, accidents, failures in spite of efforts and hard works; if your spouse is not faithful but always breaking his vows through infidelity. People who have no sexual control, victims of bad thoughts, sexual perversion and fear of death.
